CIRCULAR FOR HOTELS IN PHASE 3 (HEIGHTENED ALERT)

1. To mitigate further community spread of COVID-19, the Multi-Ministry Taskforce (MTF) announced on 16 July 2021 that it would tighten Safe Management Measures (SMMs) for higher-risk, mask-off settings with effect from 19 July 2021 through 8 August 2021 (both dates inclusive).
2. We strongly urge hotels to step up surveillance and monitoring of potential non-compliance within the hotel premises. STB takes a serious view on establishments who do not comply with the SMMs and will continue to impose strict enforcement actions against all establishments who breach the SMMs.
3. The information in this circular (which includes its annexes) supersedes that in previous advisories or statements.

Key Updates for hotels:

With effect from 19 July 2021 through 8 August 2021 (both dates inclusive) (unless otherwise stated):

1. Dining-in at F&B establishments will be dialled back to groups of up to 2 persons.
 - a. F&B outlets may allow group sizes of up to 5 pax only if they have put in place systems to check that all individuals in the group are:
 - i. fully vaccinated;¹ or
 - ii. have recovered from COVID-19 within the preceding 270 days; or
 - iii. have a valid negative pre-event test (PET) result for the duration of his/her dining in²; or
 - iv. children aged 12 years and below³.
2. Wedding receptions can continue with a group size of up to 5 persons per table, without the requirement for all individuals in the group to be fully vaccinated. There will be no change to the PET requirement, i.e. up to 250 persons with PET and 50 persons with PET only for the wedding party.
3. Indoor high-intensity sports/exercise activities, where a mask is not worn, will be reduced to a group size of no more than 2 persons, in classes of up to 30 persons including the instructor, without the need for testing or vaccination. The class size of up to 30 persons is also subject to the venue's capacity limit, whichever is lower. These activities may continue in groups of up to 5 persons in classes of up to 30

¹ An individual is considered fully vaccinated two weeks after he or she has received two doses of Pfizer-BioNTech/Comirnaty or Moderna vaccines.

² This refers to tests done by MOH-approved COVID-19 test providers, and the PET must have been taken in the past 24 hours before the expected end of the event/visit.

³ Children who are 12 years and below do not need to do PET. If the group is not from the same household, then the number of children 12 years old and below should constitute not more than half the dine-in group. If the group is from the same household, then the group may consist of up to 4 children aged 12 years and below and an adult. Please refer to Annex B of MOH's press release on 16 Jul 2021 for more details:

 - iii. Gyms and fitness studios where clients are unmasked; and
 - iv. Housekeeping (e.g. laundry, room and public area cleaning)
 - b. Hotels should review and reinforce current SMMs and remind employees to take all the prevailing measures seriously even if they have been vaccinated.
 - c. Vaccination remains critical in our fight against the pandemic. Hotels should also strongly encourage any remaining un-vaccinated employees to get vaccinated when it is offered to them.
 - d. Hotels which are serving as Stay-Home-Notice Dedicated Facilities (SDFs) must observe split-team arrangements and staff from different teams must not inter-mingle with one another.
